Learn More about America's #1 core sweeper—designed to sweep cores under any conditions.

The core sweeper is the first ride-on that is self-contained. Its small footprint makes it more maneuverable and easier to operate than tow-behind sweepers.

Say goodbye to downtime and long hours from more employees. Pure Turf's core sweeper only requires one operator. Maximize efficiency and optimize your course with fewer resources.

Book your demo today to view it in action or call us for on-site rentals or servicing to sweep up your aerifications this year.
